Blissful Relaxation Massage (Swedish)

A gentle, flowing massage designed to ease tension, improve circulation and promote overall relaxation.

60 minutes — R850, or 90 minutes — R1000

Musculavine Back, Neck & Shoulder Massage

A focused treatment to relieve muscular tension and restore comfort to the upper body. 30 minutes — R690

CBD Full Body Massage

A deeply restorative massage using CBD-infused oils to reduce inflammation, ease tension and promote recovery.

60 minutes — R950 or 90 minutes — R1100

Aromatherapy Massage

A therapeutic massage using carefully selected essential oils to balance the body and calm the mind.

60 minutes — R1000, or 90 minutes — R1200

Add on: Hot Stone (R150), Bellabaci Cups (R200)

Lymphatic Drainage Massage

A gentle detoxifying treatment designed to stimulate lymph flow, reduce fluid retention and support the immune system.

60 minutes — R1000

Pregnancy Massage

A gentle, nurturing full- body massage designed specifically for expectant mothers. This treatment helps relieve tension in the lower back, hips, and shoulders while reducing swelling, improving circulation, and promoting deep relaxation. Performed with safe positioning and soothing techniques to support both mother and baby. 60 minutes — R1000

(Note: Recommended after the first trimester)

TARGETED MASSAGE THERAPIES

BELLABACI CUPPING TREATMENT

Bellabaci Cupping Massage – 60 Minutes – R1000

A therapeutic full body massage incorporating the Bellabaci cupping technique to relieve muscular tension, improve circulation, and stimulate lymphatic drainage. This treatment assists in detoxification while easing stress and promoting deep relaxation, leaving the body feeling restored and revitalised.

Bellabaci Cupping Massage – 90 Minutes – R1250

An extended therapeutic experience using the Bellabaci cupping technique to target deeper layers of muscular tension and improve overall wellbeing. This full body treatment enhances circulation, supports lymphatic drainage, and assists with detoxification while promoting complete relaxation and physical renewal. Ideal for relieving chronic tension, fatigue, and stress.
